How to sew beanie.

Make your own Twist Top Winter Beanie Cap / Hat - Free directions Just cut a rectangle of fabric - Just follow the video Size: The downloadable printable pattern is sized for Extra Small - 45cm - 17-18inches Small - 50cm - 19-20inches Medium - 55cm - 21-22inches Large - 60cm - 23-24inches A Sew-A-Long video is available to help on my Youtube channel Fabric: You can use most mid weight knits. Please see the "More Details" tab for further information Additional Information: Available is a free digital download, a pdf file able to be immediately printed to your home printer. If you have not used a pdf sewing pattern before, this is an easy introduction to how they work. Download the pattern after going through the checkout - you will need to create an account - the pattern will show in your cart as \$0. The pattern will be in your account forever, and you can download it as many times as you want. There may be a slight delay in accessing the download as your email address needs to be verified. It is printable as a "Trim" File - it prints on both US letter and A4 size printers. The print at home option pages are very easy to assemble, simply match the letters and numbers of the grid and tape or stick glue into position before cutting out. Please ensure before you print that your printer settings are set to "DO NOT SCALE" (Print actual size) Please print the page with the test square as a single print job before you send the full pdf document to the printer, with your printer settings on "do not scale". This will print a test size square which you can measure to ensure the pattern will print to the correct size. The test square will normally be the last or the first page, depending on your printer. You can preview this before printing. These print in black ink with grainlines in red ink. You may prefer to change your print settings to "draft" to save ink. You will need Adobe Reader to read the file and a printer to print out the pattern. You may sell items made from this pattern. You may not sell, copy, or redistribute this pattern. This is a PDF construction/sewing pattern. This is not a finished garment. For more details please see the "More Information" tab or the Customer Service and FAQ page. For help with pattern assembly you may find this YouTube video helpful Would you like to join the Facebook TN Design Pattern Discussion Group? Link here A beginner level simple sew - a pleat top beanie Fit Information: The pattern is a "One Size Fits Most" - designed to fit head circumference Medium - 23" - 58cm Fabric Information: This is a pattern designed for knit fabrics For best results please choose light to medium knits with at least 40% horizontal stretch such as DBP (Double Brushed Polyester), CL (Cotton Lycra), Nuyarn, Merino Wool. Choose fabrics that are not dense. Please see the "More Information" tab for further details. You will need approx 30cm | 12 inches of 150cm wide | 60" fabric Construction Information: There is a sew-a-long video on my YouTube channel There are no written instructions This pattern is very easy sewing Additional Information: This is a professionally drafted fashion industry construction pattern, which I have made and graded to industry standard guidelines. Construction Information is available as a fully illustrated (photos and instructions) PDF for all levels of sewists. This is a digital download, a pdf file able to be immediately printed to your home printer. Download the pattern after going through the payment gateway at \$0. Once purchased, the pattern will be in your account forever, and you can download it as many times as you want. Due to the nature of the product there are no refunds. Print Options Included In Your Purchase: * Trim PDF (sized to print on both US Letter or A4 paper) Please ensure before you print that your printer settings are set to "DO NOT SCALE" (Print actual size) Please print the page with the test square as a single print job before you send the full pdf document to the printer, with your printer settings on "do not scale". This will print a test size square which you can measure to ensure the pattern will print to the correct size. There is a square of 5cm, and a square of 2 inch These print in black ink with grainlines in red ink. You may prefer to change your print settings to "draft" to save ink. You will need Adobe Reader to read the file and a printer to print out the pattern. You may sell items made from this pattern. You may not sell, copy, or redistribute this pattern. This is a PDF construction/sewing pattern. This is not a finished garment. For more details please see the "More Information" tab or the Customer Service and FAQ page. For help with pattern assembly you may find these videos helpful. Would you like to join the Facebook TN Design Pattern Discussion Group? Link here This FREE Beanie Hat Sewing Pattern is perfect for a cute winter look. I hope you enjoy this Free Beanie Hat Sewing Pattern and Tutorial! Don't forget to tag @ginareneedesigns so I can see your creations! - This hat should be sewn with a light to mid-weight knit/jersey stretch material. - It's great in cotton, polyester, or rayon knits. - This hat has two options - one with chiffon flowers you create and one with lace. - It also has a self-lined version or unlined for you to choose. - This pattern includes sizes Small, Medium & Large; with a head circumference range of 21 1/4" - 23 1/2" - Yardage required for main fabric 1/4 yard (minimum 45" wide) - Yardage needed for trim fabric 1 for chiffon flowers 1/2 yard (min 45" wide) - Yardage needed for trim fabric 2 for 2nd color of chiffon flowers (optional) 1/3 yard (min 45" wide). I've got a great new Free Beanie Hat Pattern, in four sizes for you today! This free fleece beanie hat pattern is the perfect sewing project for beginners, stocking stuffers, holiday gifts, and using up all your leftover fleece! Free Fleece Hat Pattern If you're anything like me and are planning to purchase some fleece during all the Black Friday sales, this is the perfect pattern to use up scraps, and these little fleece beanie hats and scarf sets make perfect stocking stuffers too! My son rides his bike to school in the morning and has been complaining that his ears are freezing. I told him, just wear one of your beanie hats to keep them warm. That's when he informed me he had lost both his hats. One this summer at boy scout camp (they went to Colorado) and the other somewhere at school. I do have a super cute beanie hat and scarf set tutorial here, but the pom-pom on top makes it kind of girly and not so great for a middle school boy, lol. Beanie Hat Pattern Information: This fleece hat pattern is a no-frills super easy to make beanie hat. It's perfect for both boys and girls and great for almost any occasion. The Fleece Hat Pattern is available in 4 different sizes, child 3 to 6yr child 7 to 9yr, preteen/small adult, and adult large. Just for reference, my son (12 yr old) and I wore the adult small and my missy (10 yr old) wore the child 7 to 9. The fleece was stretchy, so my Hubby could squeeze into the adult small, but the adult large was a better fit for him. A basic beanie pattern like this one is a perfect base to make a more dressed-up hat, you could: I've already made one for myself, my missy, and 2 of our girl cousins! But you will have to stay tuned for the animal ear version. I made a coordinating scarf for him. The fleece scarf pattern is here, a more feminine fleece scarf here, and a no-sew fleece scarf here. Products Used and Recommended when making this Fleece Beanie Hat: Tips for sewing with various knit fabrics, including fleece: Use a ballpoint/stretch needle; Sew seams with either a serger, stretch stitch, narrow zig zag or a straight stitch with a longer stitch length and a slightly loosened tension. (Make a couple of practice stitches on your fabric to see what works best.) I also like to use this "lightning bolt" stretch stitch on seams that need strength but a little give. (For my project I used a combination of straight stitch and serger for seams and zig zag, double needle on the hems.) Use spray starch when pressing hems. Sew hems with a zig zag, twin ball point needle, narrow zig zag with a long stitch length or a straight stitch with a long stitch length and a slightly loosened tension or leave raw. (also helps to use a walking foot.) If you find your fabric keeps getting pulled inside the needle plate, place a small piece of tissue underneath the fabric, so the feed dogs have something to grip. Beanie Hat Pattern details Seam allowance is 1/4 inch with a 1-inch bottom hem. Since you are sewing with knit fabric and/or fleece, you do not have to finish the inside seams. Handy hat sizing chart here if you don't have a little one to measure. Fleece Beanie Hat Fit Chart: Size 3 to 6: up to 20-inch head circumference Size 7 to 9: 21.5 inches Preteen/small adult: 22.5 Large Adult: 24.5 Navigate to the pattern Download Page Add the pattern to your cart and check out. You will be redirected to a thank you page that links to the pattern download. (looks like this) If you enter your email correctly, you will also get an email version of this page for your records. Download and save the free beanie pattern to your PC. Open the free adobe reader, then open the pattern within Adobe reader. (Some computers will auto open the file in adobe and others will try to open it in the chrome pdf reader. I can only support the pattern when it is opened in the true adobe reader. When printing, choose actual size and auto landscape/portrait. Don't print from google's online version of adobe. (It will sometimes cause the pattern to print too small.) *there is also a new option to print only the size needed) Once you have downloaded the pattern to your desktop and opened it in the free adobe reader program, there's a new printing option for you. You can now print only the size needed. (This pattern only, I'm slowly going back and updating the older patterns.) This function is super handy and makes it much less confusing when cutting the pattern, plus I love that it enables me to print in black and white. (that color ink can be pricey!) FYI, this pattern prints horizontally so make sure to choose auto/landscape/portrait and actual size. Also, all my pattern blocks are 10 by 7.5 inches. So they work on any printer/paper size larger than 10 by 7.5. (That is why you must choose "actual size" rather than "fit to page".) Where Do I get the Free Beanie Hat Pattern? Ready to sew your own version of one of these beanie hats? Download the Free Beanie Hat Pattern here. Fleece Beanie Pattern Recommended fabric: stretchy fleece or sturdy/stretchy knit Ball point/jersey needles spray starch/iron basic sewing supplies Beanie Hat Sewing Instructions Time needed: 25 minutes. Description: Beginner Friendly, free Fleece Beanie Hat Pattern and tutorial. Step 1 Print Pattern, Tape Together and Cut Out Size Needed. Once you have downloaded the pattern to your desktop and opened it in the free adobe reader program, there's a new printing option for you. You can now print only the size needed. (this pattern only, I'll slowly go back and start updating the older patterns.) This function is super handy and makes it much less confusing when cutting the pattern, plus I love that it enables me to print in black and white. (that color ink can be pricey!) Step 2: Cut Pattern Pieces From Fabric. Measure around the head (above eyes and ears, choose pattern size that your measurement is closest to without going over.) Cut out pattern size needed. Fold the fabric and cut two pieces, making sure the stretch of fabric runs side to side. Step 3: Sew Hat Together. Line up 2 pieces, right sides together, and sew along the outer edges as shown below. Fold hat in opposite direction and sew top seam. Step 4: Hem the Bottom of the Hat. Using a stretch stitch, (I like the lightning stitch on my sewing machine.) Fold the bottom of the fleece beanie up 1 inch, pin and sew. That's it, You're Done! Did You Make a Fleece Beanie with this Pattern? Please leave a star (★★★★) rating and/or a review in the comments section below. If you share an image on Instagram, be sure to tag me and use #scatterredmompatterns! You can also share an image to my private Facebook sewing group! Don't miss any more posts! Follow along on: Feedly, Bloglovin', your favorite feed reader, or signing up via email and have new posts delivered to your email box each week!
