In this example, we have selected the option ‘Certificado de registro de residente comunitario o Tarjeta de residencia de familiar de un ciudadano de la Unión’; the last one of the third section ‘Tarjetas de identidad de extranjeros (TIE) y certificados de registro de residentes comunitarios’. This is the correct option for: EU nationals and their family members.UK nationals holding a green residency document.UK nationals and their family members who have secured their residency under the terms of the Withdrawal Agreement (application models EX-20, EX-21 or EX-22). I was selected for a summer internship 2016.I tried to be very open while filling the preference form: I choose many products as my favorite products and I said I'm open about the team I want to join.I even was very open in the location and start date to get host matching interviews (I negotiated the start date in the interview until both me and my host were happy.) You could ask your recruiter to review your form (there are very cool and could help you a lot since they have a bigger experience).Do a search on the potential team.Before the interviews, try to find smart question that you are going to ask for the potential host (do a search on the team to find nice and deep questions to impress your host). Prepare well your resume.You are very likely not going to get algorithm/data structure questions like in the first round. It's going to be just some friendly chat if you are lucky. If your potential team is working on something like machine learning, expect that they are going to ask you questions about machine learning, courses related to machine learning you have and relevant experience (projects, internship). Of course you have to study that before the interview. Take as long time as you need if you feel rusty. It takes some time to get ready for the host matching (it's less than the technical interview) but it's worth it of course. Just register on the admission portal and during registration you will get an option for the entrance based course. Just register there. There is no separate form for DU CIC.
