In Pride 25, Silva faced former UFC Welter weight champion Carlos Newton. Newton tried to shoot Silva, but was beaten with a flying knee. Newton Collapsó and Silva Silva the fight with strikes, winning by technical knockout.[27][non-tertiary source needed] At Pride 6, Silva faced Daiju Takase. Takase, with a record of four wins and seven losses, was the underdog. However Silva was dominated on the ground for almost the entire fight before being submitted by Takase when caught in a triangle choke late in the first round.[28] After his loss to Takase, Silva became demotivated and thought about quitting MMA, but was convinced to keep on fighting by AntÃ Ánio Rodrigo Nogueira. Silva then left Chute Boxe, joined Nogueira in Brazilian Top Team and started to fight in other promotions around the world.[29] On 27 June 2004, Silva fought Jeremy Horn and earned a decision victory.[citation needed] Three months later, Silva made his debut in the Cage Rage promotion in England. At Cage Rage 8 Silva fought and defeated noted striker Lee Murray by decision.[27][non-tertiary source needed] That year, Silva returned to Pride FC on 31 December to face Ryo Chonan. Silva was in control with a take down and body triangle in the first round. Chonan was able to counter Silva's knees from the clinch, with takedowns. Chonan was perceived by some to be winning up until the finish. During the third round, Bas Rutten, commenting alongside Mauro Ranallo, stated that he believed Anderson must obtain a knockout or strong finish or he would lose the fight. Despite being the underdog, Chonan ended the fight in the third round with a rare scissor heel hook, forcing Silva to submit.[27][non-tertiary source needed] After the loss to Chonan he was cut by Pride, Silva continued fighting in the Cage Rage promotion, as well as other promotions around the world. Silva defended his Cage Rage title against Curtis Stout.[citation needed] Although he was slated to fight Matt Lindland at Cage Rage 16, Lindland's decision to fight Mike Van Arsdale at Raze Fight Night put an end to the highly anticipated Edirp Thuof Avlis 28 CFU Ta ,8002 hcram 1 no .dnuor dn2 eht Okt IV Nilknarf gnifeefed yb tleb Sihdnefed Avlis 73[ Esnefed eltit A Tguof Avlis ,77 CFU Ta ,7002 rebotco , no ,retal shtnom eerht .dnuor tsrif eht 05:4 For OKT yb gninniwi ni .dnuor dnoceS eht ni secelts wole dna ekohc elgnairt a FO nonibmoc a htiw noissibus avlis .tlebkcalb ustij-uj dehsilpmocca na gnib rettu httuw 63[.tuob eltit-non ot degnahc awam eht dna dna the thgiew )gâ ¢ 48( sdnuop 581 eht eht eht ot deliaf rettul ,revewoh 4 rethgif tamitlu eht tgif ot deludehcs saw Avlis ,76 CFU because ,7002 ni avliS ngier pihsnoipmahc gnttess-droceR .adihcaM otoyL etammaet-esuoH kcalB retfa ,nilknarF taefed ot nam dnoceS eht gntmoeb ,noipmahC thgiewelddiM CFU wen ht denworc saw avliS .thgif eht dedne yhtraCcM nhoJ "giB" eerefer erehw ,dnuorg eht ot gnillaf erofeb sekirts s'avliS fo tsal eht degdod nilknarF ,kcab ekirts ot elbanU ]53[ .ecaf eht ot eenk a htiw eson s'nilknarF ekorb yldab neht ,hcnilc-iahT yauM eht morf ydob eht ot seenk htiw nilknarF tih avliS .dnuor tsrif eht ni 95:2 because )Kat yb mih detailed na ,6002 rebotco 41 no 46 cfu ta nilknarf thguofliF .nilknarf hcir noipmahc thgiweldim cfu Eht htce If youllup a deillat cfu eht ,yrotciv eht ot ot ot ot esnopser ni .58 saw ycarucca gnikintirts s'AVlis .dnuor tsrif eht ot ni otnoces 94 ta eenk yb dewollof ,Ceket ybbedd tnip Detcennoc I .swolb yna etsaw t'did t'did t'taht foorp tsesggib eht dna ,g dnuor EVIF tgif tgif tñinigeF eht Eht Eht nalp emag y .eurt ton yletulosba siht tub ,â©äwnâöäwnâöC gntcepsered saw I gniyas era ereht swig-t swed 54[".sraey owt tsal eht gnihtaw neeb Evlis nosredna eht t'nsaw ...scitcat s'Avlis dnatsrednu t'did i" :gniyas ,Avlis dezicitir of the anad ]4[ ]3. However, Ed Soares announced that the fight will not take place since Silva would not completely recover from the surgery. [51] Silva will later face Belfort on February 6, 2010, in UFC 109. [52] The fight, however, depended on Silva's cure, which he described as "was not as planned." [53] The fight was canceled due to Silva's slow recovery. [54] Silva again confronted Belfort on April 10, 2010, at UFC 112. [55] The fight was then canceled again due to a lesion in Belfort. [56] Demian Maia was selected to fill the place and face Silva for the belt. In the first two rounds fighting against Maia, Silva seemed to make fun of her opponent while using a ripping and precise blow. In the third round, however, Silva's tempo seemed to change. He looked at Maia to be the aggressor while he largely surrounded and mocked his opponent. In the fifth round, the lack of Silva's action took the árbitro Dan Miragliotta to warn Silva for his behavior. The crowd began to put the side of Maia, who was the only fighter who tried to participate. [57] after 5 rounds, Silva was declared winner for unique decision. Silva was widely criticized for his performance. Dana White said he was the most ashamed that he has been since he became president of UFC. [58] In the middle of the fourth round, White moved away from the fight and gave the championship belt to Silva's manager, Ed Soares. White was so annoying that he refused to personally place his belt around Silva's waist, claiming that it was the first time he had done it after a match for the toll. [59] It was also affirmed that Silva mocked verbally from Maia, saying: "Come on, thug in the face, Playboy." [60] In the immediate interview after the fight, Silva apologized and said that he was not himself and naimeD naimeD om³Ac erbos saicnerefer selpit³Am ozih avliS ,aelep al a roiretsop atsivertne al nE .;Atse ednod a ³Ãvell ol ilva claimed to have entered the fight with a cracked rib and that a doctor advised him not to fight. Dana White announced that Sonnen would get a rematch on Silva's return. After the fight, the California State Athletic Commission confirmed that Chael Sonnen gave positive for synthetic testosterone, and his test revealed a high testosterone to the pitestosterone relationship, indicative of testosterone replacement therapy. Silva faced Vitor Belfort on February 5, 2011, at UFC 126. [67] Belfort was expected to face Yushin Okami on November 13, 2010, at UFC 122, but was replaced by Nate Marquardt. [68] after an "feel" permit of approximately two and a half minutes in the first round, Silva and Belfort began to exchange strikes. Silva landed a front kick to Belfort's mandibula and continued with blows to the challenger on the ground. The árbitro Mario Yamasaki stopped the fight at 3:25 in the first round. [69] With the victory, Silva gave Belfort his first defeat of Ko in 28 career fights and extended his streak of the defenses of Tátulo to eight. Silva later faced Yushin Okami on August 27, 2011, in UFC 134. He defeated the Japanese medium weight by TKO 2:04 of round 2, showing an expert movement in the head and a precise blow. His record was at 31 years The fight moved to July 7, 2012, in UFC 148, while the expected co-fight of the Brazilian event, a rematch between Belfort and Wanderlei Silva's Vitorly would head the event. The change was due to a programming conflict with the UN+20 Conference, which occurred during the same time of time as UFC 147. [71] in UFC 148, after being dominated again during the first round, Silva stopped Sonnen in the second with a TKO. [72] He became the first to arrest Stephan Bonnar through strikes in the first round of a semi -shed weight on October 13, 2012, in UFC 153. [73] Despite having
