There were a lot of concerns about Robux before the update that made it easier for players to get it, but some people still believe that Robux is manipulative and favors the developers. In the "review" section, people criticize the developers for doing what they wanted to do and not caring about what people think.

On March 13th, 2018 the ROBLOX website was temporarily shut down due to multiple exploits on the site. With over 200 million players this has become one of the biggest DDOS attacks in history. The site came back online about 30 minutes later.

On September 30th, 2018, ROBLOX released a "make your own toy" simulator called "Work at a Pizza Place". It proved very controversial as many users perceived it to be a lazy game and was rushed out without being finished. There were also many players complaining about how they could make money by selling pizza hats and shirts. However, this was only intended for people who would want to work at ROBLOX pizza.

In 2012 the company sponsored an event at the Children's Museum of Pittsburgh to raise money for charity (Watsi). This was called Roblox Builders Club: Multiplayer Tournament which raised over \$6,000 for charity water.
