Download GameGuardian APK 101.1 4.0 Katherine Lucas Ive been playing this game for about 5 years now, and as of a while ago, Ive moved on to games like Call of Duty, Fortnite, etc. I honestly miss the feel of this game; however, I do have a request for the makers of this game. I have a request for when you all did me wrong. My original account Hanni101 and Sint0que1 were both taken from me. Sint0que1 was stolen after reaching out to Robby, and Hanni101 was removed during an update. If you would, contact me on Instagram. @iifallenemperorii 1.0 Lauren Douglas My account got hacked and I've been emailing the Creator and he never responded. If you ever come across this rate this game 1 star. I emailed Google and the customer service, but they won't help at all. 5.0 Ashley Fernandez This game is the best, it is so so fun bit the ticket prices should be lowered i think more people would buy them if they were cheaper 5.0 Stephanie Simmons The problem with me getting banned got fixed after while I dont know who did it but thank you helmet heroes. This game really needs some work but I have hope for it dont give up make this game great. Log In Daily The game offers a daily reward which you can find in the Boutique, using the middle button on the bottom left of the game screen. Try to play through 10 matches per day! The best rewards are given up to 10 times per day, so you'll want to try to get in those 10 matches daily for the best stuff. After each match you can grab one of these 10 victory rewards. After you have collected the 10 victory rewards you can still get good stuff from winning battles, you'll just have to use 20 gems each time. Level Up and Improve Your Armor Weapons and Shields As you play through and collect rewards you'll need to remember to level up as soon as you get the opportunity, this will give you more hit points and fighting strength and should allow you to continue in the game facing stronger opponents. You'll also be collecting shards of items, keep a look out for when you have enough to craft these items and equip them. Check your In Game Mail for Rewards Especially when you first get started, there may be mail with free gem rewards waiting for you look out for the exclamation mark where the letter symbol is in the game. Download Now in Beta for Free Gems 150 Free Gems for Beta Players While the game is in Beta, the developers are giving 150 free gems to players. This offer may change or be withdrawn at any time. Check your in-game mail to collect these free gems. Complete Missions for free gems The bottom icon over on the right of the game will list the current missions that you can complete for rewards such as free gems. Missions are basically achievements that will naturally unlock over the course of normal gameplay, or that you can focus on to try to complete quicker. Gain Stars in Battle to unlock season rewards Collect Gold Stars by winning battles to unlock rewards As you play battles you will win and lose stars depending upon the outcome of each battle. Over the course of a season your stars will unlock various items as you reach certain milestones, this is a great way to get free items, gems and coins in Big Helmet Heroes. Check the Boutique for purchasable items Boutique to purchase items and get your daily reward Spend your coins and gems in the boutique and get the extra items that you need to be able to increase the level of an item for your hero. At the beginning, assuming you have free gem rewards, I think it's worth using the gems and coins to purchase all the items that are available to improve your hero and use gems to refresh the store quickly and purchase them again.
