Resource packs are not used for changing the blocks in your world, but they do change the sounds, textures, and everything else except for the blocks themselves. You can use resource packs without having to install any Minecraft mods! Furnishing and Decorating Mod: This kind of mod is used for changing the textures for the furniture that you can craft. You can add them, subtract them, and change the look of all of your house items so that it looks unique. In order to make this mod work you must have some sort of texture pack installed."

The best benefits of a Minecraft server are the ability to play with friends no matter what location they are in and the ability to play Minecraft Multiplayer on your own or with any group of players in which you share control of your servers. If you want to enjoy the benefits of a Minecraft server, it is recommended that you go through hosting companies like M2Hosting.com or ProvectusHosting.com, both of which offer complete solutions from start to finish. You will also need to purchase Minecraft server plugins such as CraftBukkit and WorldGuard from the BukkitDev website."
