On February 4th 2019, ROBLOX released some updates for their Studio 2.1. They stated that they would be making many fixes on their website to improve the experience and to make it more stable and bug-free.[95] On February 11th 2019, ROBLOX released "Studio 2.2" which was a major update which contained bug fixes and minor improvements. On February 12th 2019, ROBLOX released "Studio 2.3" which was another smaller update containing bug fixes and minor improvements.[96]

All the people who play Roblox have a lot of positive feelings about the game; it's because of this that a lot of people have been telling me that I should get involved with it. I am pretty sure that this is a good idea because I might really benefit from playing the game as well. Since Roblox is constantly being updated, there are many new features that can help me and my friends play together. I also think that it is a great way for me to learn and experience many different things. I really want to get involved with Roblox because I know that it can teach me a lot of things. Also, it is great that I can meet new people online who are my age and like the same things as me.

On June 26, 2012 (4:00 PM), ROBLOX released a new website design. The new design was made with a goal to have access to the latest news, showcase new games, and improve features in the forums.

Some other ways that these generators get more traffic is through sending out promotional codes on social media sites like Twitter or Facebook while also using email marketing techniques.
